Our Proposal:

Shelby County Trustee Reference Letters

This is an **all-inclusive product** and includes a typed reference letter in compliance with your proscribed form with copies of all recorded instruments, court documents (i.e. Bankruptcies and Probates) and death notices (if available). In addition, we will provide two (2) tax maps for each property (an up-close view and an overview of the property) showing the property's location.

Note: We will complete and deliver each group of 50 reference letters to the Trustee's Office at the specified location within 5 business days following receipt of the summary page, contingent upon receipt of the group of summary pages within our office by noon. If we fail to deliver said reference letters within the 5 business days following receipt of the summary pages, we will be liable for a fifty-percent (50%) deduction in the charge.

Un-searchable Property

If the information provided by Shelby County does not match the public record, we will provide the Trustee's Office with the name of the last owner of record at **no charge**.

Reference Letters on "Child Parcels"

If we determine that a parcel submitted for searching is a deactivated or subdivided parcel (a "Parent Parcel"), we will inform the Trustee's legal staff within the 5 business days following receipt of the summary pages at **no charge**.

We will then identify the tax parcel number and current owner of each "Child Parcel" at **no charge** and deliver said information within a time frame of 1 business day for every 10 "Child Parcels" within the group. We will then allow the Trustee's legal staff an opportunity to determine whether to continue with an expanded title search of the "Child Parcels" in question.

If the Trustee's legal staff approves an expanded search, we will provide a reference letter on the "Child Parcels". These expanded searches will then be added to the next group of reference letter requests from the Trustee's office. These expanded searches will be delivered within 5 business days of receipt of the next group of reference letters, contingent on the total number of reference letters and expanded searches for one week being no greater than 100 (50 reference letters per batch plus up to 50 expanded "Child Parcel" searches). If the total number of reference letters and expanded searches due within a week exceeds 100, we will contact the trustee's office to arrange a delivery time.

Recertifications:

We will provide a recertification of the Trustee Reference Letters free of charge if requested within a period of 1 year from the original certification date.
